Dear Jose:

COPY

I am sending this letter to serve as notice that I will be closing down my law office by the end of December 2004. Secondly, I would like to take this opportunity to recap your files as listed below.

Your "Image Unlocking Jewelry Device" patent having the serial number 10/056, 897 has been issued with the United States Patent and Trademark Office on April 6, 2004. We also submitted a continuation-in-part application as part of our strategy to keep your original patent application alive in the event your first patent application was denied by the USPTO. Since your original patent application was finally allowed registration, no further action has been taken on the cautionary continuation-in-part application.

Your "My Personal Image" trademark has been published for opposition on November 30, 2004. If no one opposes your trademark during the period for opposition, then the USPTO will render your mark registrable. The UPSTO will require a registration fee pursuant to their latest fee schedule.

Jose, I have enjoyed working with you and may God bless all of your future endeavors. If you have any questions, please feel free to contact me.

Best regards,
Janice Leverett
